**Phone number:** (+966) 592470582 (Mobile)

**Email address:** [mazin.ahmed.business@proton.me](mailto:mazin.ahmed.business@proton.me)

**LinkedIn:** <https://www.linkedin.com/in/mazin-ahmed-Ibrahim>

**Address:** Riyadh, Saudi Arabia (Home)

## Summary

Diligent and security-focused **Vulnerability Assessment and Penetration Testing (VAPT) professional** with hands-on experience in assessing, validating, and mitigating security risks across enterprise and regulated environments. Strong understanding of the complete VAPT life cycle, including scoping, vulnerability discovery, manual exploitation, impact analysis, reporting, and remediation verification. Experienced in compliance-driven assessments and security assurance engagements, delivering clear, risk-based findings aligned with industry and regulatory requirements. Holds **OSCP, eJPTv2, eCPPTv2, and eMAPT** certifications, with a proven track record of supporting the security posture of multiple organizations across financial and enterprise sectors.
